

Terms and conditions | Cheng Hsin Holland Camp 2022

Again it is unsure what impact the Covid pandemic and worldwide measures will have on the Cheng Hsin Holland Camp. This year we intend to organise a two week Camp with Peter Ralston in the Netherlands. First one week and a weekend of Martial workshops followed by a six day Consciousness workshop. Because of the uncertainty regarding the pandemic we may have to change or cancel some or all workshops as time passes. For this reason we offer following cancellation terms.

Cancellation terms

- If we need to cancel any or all of workshops (Art of Effortless Power, Boxing and CSW) because of Corona measures and restrictions in the Netherlands you will receive a complete refund of your deposits and other payments.
- If we need to change any of the workshops you will be asked to re-register. If you do not wish to participate in a changed workshop, you will receive a complete refund of your deposits and other payments.
- If you need to cancel your participation because of Corona measures and restrictions in your country or because of travel restrictions, you will also receive a complete refund of your deposits and other payments. You can cancel for this reason up to three days before the start of the workshop.
- If you cancel for other (non Corona related) reasons or calamities:
 - Cancelling any of the workshops before 15 July means that 10% of the workshop costs will not be refunded.
 - Cancelling any of the workshop after 15 July means that 40% of the workshop costs will not be refunded.
 - Cancelling any of the workshops within one week prior to the start of the workshop means the whole amount (workshop and accommodation costs) will not be refunded.

Proceedings towards the Cheng Hsin Holland Camp 2022

- After signing up you will receive a preparation letter in June with general information on lodging, route description, workshop conditions and other requirements.
- If need be you will receive a second letter with specific Covid related matters like measures or possible testing or vaccination requirements in July.
- We will of course also keep you posted on any changes in the workshops or whole program because of the pandemic.

If you have any questions regarding these terms please contact Epi van de Pol at admin@epitaijquan.nl.
